BACKGROUND:

Sportsmen's Day at Carpenter's Brook was created as a tribute to National Hunting and Fishing Day. It is one of the largest celebrations of National Hunting and Fishing Day in New York State. Outdoor activities suitable for all ages include: skeet shooting, waterfowl identification, turkey calling, archery, 3-D laser big game hunting, crossbow, fly fishing, jig tying, canoeing, muzzle loading, and trout fishing. There will be demonstrations by woodsmen, local wildlife artists and authors. Conservation Officers, Forest Rangers and Smokey Bear also will make appearances.
